Gena:

The Commission approved the Resolution and according to Mark Teague it was a majority vote, therefore, the resolution is approved.

Thanks very much! I had heard they passed the resolution. It sounds like they only discussed it, but didn't actually vote to approve it, even in draft form. Is that correct?

thank you,
Elizabeth

Hi, Elizabeth.

Attached, please find the draft resolution that the commission discussed last week. Please know that the draft is neither final nor signed.

The draft minutes from the meeting are being processed and should be available in the next 3-4 weeks. Please know that those will be draft minutes and corrections are often made at the board's next meeting – in this case in June.

Best,

Gena

Great, thanks so much! If there any meeting minutes from last week, that would be a huge bonus.

Hello,

I'm a reporter working on a story about the Lumbee Tribal Council resolution on the Atlantic Coast Pipeline as well as the resolution the Commission of Indian Affairs recently passed, of a similar nature. Can you provide me a copy of the commission's resolution?

thanks so much!

Elizabeth
